Issue 55 – 25 November 2020

Dear colleague,

Please find an important update to the care home visiting policy detailed below.

Leicester, Leicestershire and Rutland (LLR) care home visiting policy

The position on safe care home visiting has been developing very quickly in the last few weeks.

Based on the updated Government guidance we have been working hard to develop a consistent policy locally – on Monday the LLR Guidelines for Visitors to Residential and Nursing Homes was finalised and circulated to care providers.

The LLR Guidelines for Visitors to Residential and Nursing Homes is available to [view here](#), along with the accompanying [policy statement from the Director of Public Health](#).

Thank you for your continued support during this difficult time.

Yours sincerely

Jon Wilson

Director of Adults and Communities
